TABLE-3. HIGHER EDUCATION PROGRAMS THAT MAY ACCEPT FOREIGN STUDENTS THROUGH SPECIAL SKILL TESTS RESULTS

In the 2005-2006 academic year, the higher education programs which may admit foreign students by pre-registration or special skills tests are shown in the table below. In order to apply for these programs, foreign students are required to enter the YOS examination or to obtain an acceptable score in one of the international examinations. The information about the quotas, requirements and the procedures of selection to these programs should be obtained directly from the higher education institutions concerned. ÖSYM is not concerned with student selection and placement through the special skills tests. The rules and regulations in this Guide, concerning registration, also apply to foreign students who are accepted through pre-registration or special skills tests.

(***) There is a one-year Opera Preparatory Course

(****) For the students who are admitted to the higher education programs through special skills test and begin their education in this University, it is not possible to register into the programs of the same level in the Turkish universities.

(*****) There is a one-year compulsory Preparatory Course. This year is not included in the total number of years of study required for graduation. Those who have graduated from the Theory-Composition Department of a conservatory or a high school equal to conservatory or have passed the Proficiency Test are exempted from the Preparatory Course.
